They Regard It as an Excellent Mark for Their Campaign Fire.

"HYPHEN" ATTACK FOPULAR FEATURE

Democrats Reticent in Comments, Even on President's Defence Programme.

Washington, Dec. 7.—President Wilson's message to Congress was received with joy by Republicans and with mixed sentiments by Democrats. The principal criticism made of it in

Commerce Commission, which is prohably the best organized and equipped institution of that kind connected with the general government? Why shouldn't

President had put the same fire all through it what he did in those portions relating to the acts of citizens of foreign birth. So far as the preparedness programme is concerned, the President has outlined it well, and brought the necessity for prompt action home to the American people. The naval programme will find the committee standing solidly behind him."

Senator James K. Martine, Democrat, of New Jersey, said: "The message was written in a stirring strain that will appeal to every American citizen. His preparedness programme will be indorsed by every red-blooded citizen of the country, and I am confident that Congress will adopt it without any serious opposition."

President Wilson's message called out little comment from House members. There was a reluctance to talk about national defence and other legislation suggested.

Representative Kitchin, the majority Munitions Makers Accused of

leader, although remaining steadfast in his opposition to the defence pro-gramme, had no comment to make on

the message.

Representative Mann, the minority leader, said: "To me, being of a practical turn of mind, the feature of the President's message that was of the most interest was the admission that without additional burdens of taxation the United States Treasury faces to definit of \$297,000,000. It shows the message to-day and preved that his message to-day and preved that his
